JANOME

world's leading manufacturer since 1921

Welcome to our Spring 'Sewing with Style' special offers'.

Quality and customer service are paramount to us at Janome. Our brand has been synonymous with quality sewing machines for nearly a century. Japanese entrepreneur Yosaku Ose founded the PINE sewing machine factory in 1921. Janome UK was founded in October, 1968.

This spring we have some new and exciting offers that we are delighted to share with you. We have a 'Special Purchase' mechanical model at only £99 and a fabulous range of selected mid-range models at great prices, with many extras included. See our larger arm space atelier series and the long arm MC8200QCP, to give you extra space to create. Why not add an overlocker, coverstitch or embroidery only machine to your sewing space.

Enjoy creating new sewing projects this spring!
